

DONATIONS 101

ONLINE

All online donations will be processed through our online fundraising platform: Network For Good.

- Find your team page listed on our main page here: <https://danceblue.networkforgood.com/>
- Each team has a personalized fundraising page that they can share online!
- Note: Network For Good only shows your online donations, not your team's cash/check donations.

CASH/CHECK

If someone wants to mail a check or cash to your team or a dancer on your team, they should send it to:

Student Organizations and Activities

160 Avenue of Champions

Suite A154

ATTN: DanceBlue

Lexington, KY 40506

*Make sure the team name and/or dancer name is in the memo line.

DONATIONS 101

ADVICE

For restaurant nights, your best bet is to have the restaurant give you the check so that you can turn in the check ASAP. This will prevent the check from getting lost in the mail and allow the donation to appear in DBFunds quickly.

DEPOSITING CASH/CHECKS

If you have a cash/check donation in your possession, then you can take it to the Ticket Office in the Gatton Student Center. Tell them you have a donation for your DanceBlue fund, and they will help you with filling out the necessary information.

Once deposited, it will be processed by our fundraising team as soon as possible, and it will show up on your team captain's DBFunds page.

- NOTE: Please allow time for donations to appear in DBFunds, as it takes time for each type of donation to process and to appear on your DBFunds page. Be patient!

Questions: Feel free to reach out to the Fundraising Chair, Riley Fort, at fundraising@danceblue.org
